Welcome to the Bit Theme for Touying!

This is a green university-style presentation theme.

Note

You can use green-block for theorems, lemmas, and highlighted content.

Text with a footnote¹

More body text here to ensure the content area is well populated.²

¹Footnote text.

²A second footnote for spacing verification.

Note

Content with a footnote¹ inside the green-block environment.

¹Footnote text inside a green block.

总结

Thanks

谢谢!
